PROFILE SUMMARY

Motivated and detail-oriented Computer Science student with a strong foundation in programming, data structures, algorithms, and software development. Proficient in Python, Java, and C++, with hands-on experience in machine learning, data analysis, and web development. Skilled in using libraries such as Pandas, Seaborn, and Scikit-Learn for data science projects. Passionate about problem-solving, innovation, and leveraging technology to build efficient solutions. Experienced in version control with GitHub and familiar with collaborative software development methodologies. Seeking opportunities to apply technical knowledge and analytical skills to real-world challenges in software development and data science.

CERTIFICATIONS

- Effective Communication Digital 101
- Journey HTML,CSS and java Infosys
- Certificate Course on Python
- Your paragraph text

PROJECTS

- Creating Web pages using HTML,CSS AND JavaScript

EXPERIENCE

- Experienced Tutor for last 2 years
